

## **PIONEER CRAFTSMEN LTD Honored With Big50 Award**

**Kitchener, ON – May 8, 2008 – Pioneer Craftsmen Ltd** has been selected by REMODELING magazine as a winner of the 2008 Big50 Award in the Teamwork category. The Big50 awards were presented at a gala dinner at the Remodeling Leadership Conference in Washington, D.C. on May 5, 2008. Winning companies are featured in the May issue of REMODELING magazine.

Each year, REMODELING magazine inducts 50 companies who have set the standard for professionalism and integrity through smart marketing, exemplary business practices, unique design, and extraordinary impact in their community or the industry at large. Big50 renovators run successful, often growing, companies of various sizes that have taken the lead in raising industry standards.

“We are very honored to receive this distinction,” says Gary Adam, President of Pioneer Craftsmen Ltd. “The award recognizes excellence, teamwork and leadership. We are privileged to be named to this select group of renovators and are thankful to all our staff, sub trades and clients who have played a big part in our company earning this award.”

Following a lengthy evaluation process — which includes interviewing people at the nominated companies, and often interviewing their competitors, suppliers, and subcontractors — REMODELING’S editors select the 50 renovators across North America who exemplify the very best of the industry that year, and who have something to offer other renovators in proven practices.

REMODELING magazine, published by Hanley Wood, LLC, is the leading publication in the home improvement industry. Designed to address the specific concerns of residential remodeling pros, the magazine is both a business tool and an industry leader for a market that is projected to top \$300 billion in 2009.

Pioneer Craftsmen Ltd, a family business, celebrating 55 years in business has recently moved into their brand new facility on Victoria Street North in Kitchener. They are one of two companies who have ever been awarded this recognition in Canada.
